Appeal

Order: It is sad that such a promising  
these  
young man should find himself in / unhappy  
circumstances. However, the courts will always  
treat possession with intent to supply severely.  
The intent to corrupt others by supplying is  
the real mischief.

Added to this are three previous convictions for  
drug related offences.

With this background it is impossible for me to  
say that the sentence was either wrong in principle  
of manifestly excessive.

The appeal is dismissed.

Chief Justice.
