

**IN THE GRAND COURT OF THE CAYMAN ISLANDS
PROBATE AND ADMINISTRATION**

Cause No. **45** of 2019

IN THE ESTATE OF ELISEO BORQUE DIEZ, DECEASED

1st AFFIDAVIT OF GUSTAVO BORQUE

1. I, Gustavo Borque, Del Norte 48, Hot Santo Domingo, Madrid, Spain and the applicant for a grant of special leave to apply for a Grant of Probate of the late Eliseo Borque Diez out of time alongside by brother Marco A Borque and I make oath and say as follows-
2. Eliseo Borque Diez is my father and he passed away on 6th May 2017 and I attach a copy of his death certificate and the translation to English at page 1-3 of exhibit marked GB1 to this affidavit.
3. My father left a Will and I exhibit this alongside the translation to English at pages 4-8 of exhibit GB1 leaving his estate to our mother Elvira Garcia Alfonso.
4. After his passing in May 2017 we carried out the instructions in his Will and undertook the process of gathering in his assets.
5. I discovered that my father held trust funds deposited in EFG Bank, Grand Cayman, Cayman Islands and we approached EFG Bank with a view to releasing those funds to the estate.
6. We were informed by EFG Bank that in order to do so we would require a grant of probate or letters of administration. I am informed that such an application should have been made within 6 months of the death of my father and this has not occurred.
7. I am a person having an interest in the will of the deceased and who would have been entitled to a grant if the deceased had died wholly intestate. This is also equally true of by brother Marco who will make application with me to be appointed joint administrator of the Estate should special leave be granted.

8. In order to probate the Estate, I therefore seek special leave of the Court to file an application for a grant of probate of the late Eliseo Borque Díez out of time.

9. What is stated above is true.
