

PARTICULARS OF CLAIM

- 1.) I Jose Vasquez, the applicant was informed by Superior Auto last year that my rack and pinion was leaking and in need of repair. At the time I personally wasn't experiencing any issue with the vehicle to indicate that it was leaking.
- 2.) They quoted me about **CI\$715.00** and a weeks' time to which I agreed. A week extended into two as they had to "special order" a seal in order to fix the problem. At the time I rented a vehicle for the first week costing me (**CI\$189.00**) but was then forced to rent another one for the second week costing me (**\$150.00**). (All expenses paid by me.)
- 3.) On the 24th day of November 2020 I received and email from **Superior Auto Cayman** stating that the issues with the vehicle would have been **Fixed** and ready for collection the same day. After some time I then began to experience issues with the vehicle which indicated then that yes, something was wrong with the rack and pinion (this if AFTER) having Superior address the matter they reported.
- 4.) It was brought to my attention by another garage that the rack and pinion issue was indeed **not fixed** which then led me to pay additional monies (**CI \$450.00**) to have this issue fixed .

AND THE PLAINTIFF CLAIMS AGAINST THE DEFENDANT:

- (1) The estimated sum of **CI \$1584.00**
- (2) Interest in the sum of **2.38%** calculated at the prescribed rate from November 24th 2020 to date.
- (3) Interest to continue until this matter is settled.
- (4) Fixed costs of **\$175.00**, alternatively costs to be assessed.

Dated the 15th day March 2021
