PARTICULARS OF CLAIM

- 1 The Plaintiff and defendant were in an intimate relationship. The plaintiff bought a damaged 2018 white Jeep Cherokee and fixed it which he does as a profession. He caused the said vehicle to be registered in the name of the defendant as he was off island and would the defendant be solely in charge of the vehicle in his absence. Further she would not be able to conduct any business concerning the vehicle without her name being on the registration in his absence.
- 2 It was agreed that the parties would split the proceeds of the sale of vehicle in a 60/40 proportion when or if the vehicle was to be sold. (see attached agreement dated 15th August 2020.) As a result of the defendant's poor maintenance of the vehicle, it became undriveable and had to be parked. The defendant thereafter took off the insurance and suspended the registration and told the defendant that he was a fool and there is nothing he can now do because it is in her name only and that she only calls the shots now. The plaintiff is unable to register the vehicle or drive it and has received an offer for the vehicle following a valuation being obtained for some 9500.00kyd. Further damage has since occurred to the vehicle since the valuation was done. The plaintiff has refused to sign the title documents, despite repeated requests and has demanded 10,000.00kyd from the plaintiff, if she is to agree to sign the title documents for the sale to be effected, even though she is aware of the valuation report.

AND the Plaintiff seeks:

- (1) An order of the court authorising the Clerk of Court to sign the transfer documents to effect the sale as the plaintiff has unreasonably refused to sign the transfer of the title documents.
- (2) Declaration that the defendant is in breach of the agreement
- (3) Costs
