Each Beneficiary of a separate Trust created pursuant to the provisions of Paragraphs C, D or F of this Article VI is hereby granted a Special Limited Power of Appointment over all or any portion of the Trust Fund comprising such separate Trust. Such Appointing Beneficiary may make the exercise of such Special Power of Appointment irrevocable or revocable for all times or for some fixed period or until the happening of some stated occurrence, and if such Appointing Beneficiary thereafter ceases to be a Beneficiary of such separate Trust such exercise shall remain in full force and effect. Subject to the limitations set forth in Paragraph E of this Article VI, such Appointing Beneficiary may in the exercise of such Special Limited Power of Appointment do any or all of the following:

1. Direct that the Trustee distribute outright all or any portion of the income or corpus of such separate Trust held for such Beneficiary.
2. Direct that the Trustee distribute, on such terms and conditions as the Appointing Beneficiary may specify, in Trust, or otherwise, all or any portion of the income or corpus of such separate Trust held for such Beneficiary.
3. Direct that the Trustee, or some other Trustee as such Appointing Beneficiary may specify, shall retain and hold such amount or amounts in such separate Trust for the benefit of any one or more of the objects of such Special Limited Power of Appointment and upon such terms and conditions as may be specified by such Appointing Beneficiary, including the creation of successive Powers of Appointment, either General or Limited, and trusts and powers exercisable at the discretion of any person. Except as otherwise specifically provided in the exercise of such Special Limited Power of Appointment, any separate Trust so created shall be held and administered in accordance with all of the terms and conditions set forth in this Trust Deed Agreement.

**E. Limitations on Exercise of Special Limited Power of Appointment**

It is further provided, however, with respect to the exercise of any Special Limited Power of Appointment granted pursuant to the terms of this Trust Deed Agreement that:

1. Any Special Limited Power of Appointment may be exercised in writing, delivered to the Trustee during the lifetime of the Appointing Beneficiary or by Will making express reference to the Special Limited Power of Appointment granted hereunder. Either of such documents must make specific reference to the Special Limited Power of Appointment herein granted for such exercise to be effective.
2. No Special Limited Power of Appointment may be exercised in favour of the holder thereof, his or her creditors, his or her estate or the creditors of his or her estate.
3. No exercise of any Special Limited Power of Appointment shall be effective if the exercise of such Power violates the Rule against Perpetuities as applicable to this Trust or any separate Trust created hereunder.
4. The Special Limited Power of Appointment may only be exercised in favour of the Descendant(s) of such Appointing Beneficiary, another Person named on Schedule C attached hereto or any Descendant of such Person.

**F. Retention in Trust**

In the case of each separate Trust, upon the death of a Person named on Schedule C attached hereto or his Descendant, then to the extent that such Person or Descendant has not validly exercised the Special Limited Power of Appointment granted pursuant to Paragraph D of this Article VI over any part of the then remaining Trust Fund comprising such separate Trust, the Trustee shall distribute the remaining Trust Fund comprising such separate Trust in equal shares per stirpes to the then living Descendants of such Person or Descendant; but if there shall be no then living Descendants of such Person or Descendant, then to such of the Persons named in Schedule C attached hereto as are then living or to the Descendants of such Persons and, if more than one, in equal shares per stirpes and failing them to such of the Charitable Beneficiaries named in Paragraph A of Article V hereof and in such share, if more than one, as the Trustee shall determine and in default of determination, in equal shares. If, at the expiration of the Trust Period, any separate Trust, or any share or portion thereof, is still held in Trust, or any estate created hereunder has not terminated, the Trustee shall cease to accumulate any net income thereof, and such separate Trust, or share or portion thereof, shall vest in and immediately be distributed to any Person who is, or upon attaining a particular age shall be, entitled to elect to become a Beneficiary and to exercise a Special Limited Power of Appointment over all or any portion of any separate Trust created hereunder and failing such Person to the objects of any validly exercised Special Power of Appointment and failing them to such of the Charitable Beneficiaries named in Paragraph A of Article V hereof and in such share, if more than one, as the Trustee shall determine and in default of determination, in equal shares.

**G. Renunciation or Release of Special Limited Power of Appointment**

Any Special Limited Power of Appointment granted hereunder may be renounced, released or disclaimed, in whole or in part, by any Appointing Beneficiary, and may be reduced by the Appointing Beneficiary of such Power in such manner as to reduce or limit the objects in whose favour the Power would otherwise be exercisable. Any renunciation, release or disclaimer of such Special Limited Power of Appointment shall constitute a revocation of any prior exercises of such Power which by their express terms were made revocable. In addition to any other method of renunciation, release, reduction or disclaimer recognized by law, any Special Limited Power of Appointment may be renounced, released, reduced or disclaimed by such Appointing Beneficiary by a declaration in writing signed by the Appointing Beneficiary and delivered to the Trustee of such Trust to which such renunciation, release, reduction or disclaimer relates.

**H. Family Consultant**

At any time either prior to or after the creation of any separate Trust created hereunder, the Persons named in Schedule E attached hereto shall serve as Family Consultant. The Trustee may consult with and consider the opinion of the Family Consultant with respect to any matters pertaining to the administration of each separate Trust, including the acquisition, retention and disposition of Trust assets and the amount of any discretionary payments from the Trust Fund. The Trustee shall consider the opinion of such Consultant but shall not be bound thereby.

**I. Notice to Protector**

Notwithstanding anything herein contained to the contrary, the Trustee shall provide written notice to the Protector of each distribution which the Trustee contemplates making pursuant to the provisions of this Article VI at least fourteen (14) days prior to the date on which the Trustee contemplates making such distribution. ~~The Protector's exercise of this veto power shall be communicated, in writing, to the Trustees.~~ It is further provided that no discretion or power conferred upon the Protector or upon any other Person by this Trust Deed, or by any rule of law, or arising in consequence of the exercise of any power conferred upon the Protector, or any other Person by this Trust Deed, shall be exercised and nothing contained herein, shall operate so as

to cause the Protector to be successful in ordering any action or causing any result which is not of the Protector's own free will, or which is otherwise the result of the Protector acting under the duress or influence of an outside force.

The designations of such discretionary investment account manager shall under no circumstances be construed as causing such individual to be considered as a Co-Trustee hereunder. The Trustee shall not be held liable for losses incurred with respect to assets of this Trust or of any separate Trust created hereunder held or administered in such discretionary investment accounts.

**B. Margin Accounts**

The Trustee may open margin accounts or similar accounts with brokerage firms, banks or others, wheresoever in the world situated, for purposes of investing the Trust Fund of this Trust or of any separate Trust created hereunder as provided herein and conduct, maintain and operate these accounts directly or through designation of another as agent for purchase, sale and exchange of stocks, bonds, commodities and other securities, and in connection therewith, may borrow money, obtain guarantees and engage in all other activities necessary or incidental to conducting, maintaining and operating such accounts.

The Trustee may further join in any pseudo corporation election in any manner which might make that election possible. Where the Trustee invests in the controlling shares of any company or corporation, the Trustee shall not be deemed to be a member of the Board of Directors of such company or corporation by virtue of holding such controlling shares, nor shall the Trustee have any duty to procure the appointment of its nominee as director or directors of such company or corporation, and it is further provided that the Trustee shall have no responsibility to inquire into, oversee or take part in the management, affairs or business of such company or corporation or any of its subsidiaries.

**D. Litigation**

**H. Invest Beyond Duration of the Trust**

The Trustee may make such contracts and enter into such undertakings relating to the Trust Fund of this Trust or of any separate Trust created hereunder, or any part thereof, as the Trustee considers advantageous to such Trust without regard to the duration of the Trust Period.

**I. Right to Undertake Profit Making Risks**

The Settlor realizes that this Trust or any separate Trust created hereunder can profit only from the action of the Trustee in investing the assets of the Trust Fund. Generally speaking, it will be true that support for the Beneficiaries will be adequately provided from sources other than such Trust. It is also realized that any investment carries with it the risk of loss. The Settlor and Beneficiaries expect the Trustee to invest the Trust Fund for the benefit of such Trust. Consequently, the Trustee should not fear to make speculative or long term investments. The Trustee shall be held harmless for any loss resulting from such investment or investments, and the making of such investment or investments shall not result in any liability on the part of the Trustee in its corporate capacity to any Beneficiary of this Trust or of any separate Trust created hereunder, whether present or future, known or unknown, including unborn Beneficiaries, for breach of its obligations as Trustee.

**J. Act as Receiver**

The Trustee may serve as Trustee or receiver or Trustee and receiver of any corporation, company, association or institution the stocks, shares, bonds, notes, debentures or other obligations of which, or evidence of interest in which, the Trustee is authorized to hold. Trust records shall at all times disclose how all the property of this Trust or of any separate Trust created hereunder is held. The Trustee shall generally have the power to refrain from disclosing the fiduciary relationship involved in any action undertaken pursuant to this Agreement Trust Deed in any circumstances in which the Trustee considers it expedient to do so.

**L. Partition of Property**

The Trustee may, in whole or in part, at public auctions or at private sale or otherwise, and upon such terms and for such sums as the Trustee may determine, partition property with any co-owner or joint owner, other than the Trustee itself, having any interest in any property in which the Trust has any estate or interest, and may effect such partition, either by sale, by set-off, by agreement or otherwise.

Payments so made by such bank or such association shall not be subject to objection by any Persons concerned or interested in any way in this Trust or in any separate Trust created hereunder. **O. Allocation of Assets and Joint Investment**

Consistent with the objects and purposes of this Agreement ~~Trust Deed~~, the Trustee is hereby authorized to allocate different kinds or disproportionate shares of property or undivided interests therein among any or all separate Trusts created hereunder or among the Beneficiaries of such Trust or Trusts and to determine the value thereof. The Trustee is likewise authorized to make joint investments for or on behalf of any or all separate Trusts created hereunder of which the Trustee is Trustee, and to hold such joint investments as a common fund for purposes of administration and divide the net income therefrom in the same ~~proportion~~ proportion as the respective interests of such Trusts therein.
